* Complex issues include but are not limited to unauthorized work in the U.S., time spent in the U.S. out of status and cases requiring premium processing. The existence of a special issue will be determined at your consultation. Please be sure to be thorough and forthcoming at this consultation so a proper determination can be made. If your case requires premium processing, please contact our office in a timely manner to allow us ample time to prepare your application to avoid falling out of legal status.

This chart cannot contemplate every potential immigration legal need of the church and its workers. If you are uncertain where your issue falls within this chart, please call Teresa Waggener at the Office of Immigration Issues at 502-569-5372 or email at Teresa.Waggener@pcusa.org
