Seven Oaks Presbyterian Church (PCUSA) is seeking an interim pastor to supply our pastoral needs while we secure a full time pastor. Our previous pastor of the past 10 years, Rev. Dr. Franklin Fant, decided to pursue a new career as Director of Foundation Services and Church Relations for the Presbyterian Communities of South Carolina. He was well-liked and there is no dissention within our congregation. In fact, we are known as a loving, caring congregation.

Much can be learned about our church by visiting our website, www.sopc.net. Our membership is 300 and our annual budget is about \$480,000. We are currently ministered to by our parish associate, Rev. Alice Odell. We have an active Missions program and faithfully donate 10% of our budget to Missions. There is a pre-K school on campus that is highly regarded in the community.

We are seeking an interim pastor who has prior experience as an interim and can guide us through a visioning process as we transition to a new pastor. Additional details about our church, including the interim pastor covenant and salary are available by contacting the chair of our interim pastor search committee, Ed Keelen, Home phone: (803) 781-6643; cell phone (803)760-4704; email address: ekeelen@sc.rr.com.
